## 92 Left Coast Estate Brut Rosé of Pinot Meunier Willamette Valley, Oregon

This exceptional sparkler weaves together complex, nutty flavors in a snappy, sexy, delicious and irresistible style. Apples are the core (forgive the pun) fruit, but that's just the beginning. Buttered popcorn, toasted hazelnuts, lemon oil and citrus-rind components can be sniffed and savored. This is the sort of wine that should be bottled in a one liter size—a standard 750 disappears way too soon. - PAUL GREGUTT
