| | | <i>Retail Price</i> | \$55 |

VINEYARD NOTES

Planted: 2013
Elevation: 453 feet
Varietals: Pinot Noir

Tucked away at the corner of the Estate, Field of Dreams is the only vineyard site to contain volcanic soils. During the great Missoula floods tremendous floodwaters inundated the Willamette Valley and brought the river level over the 400 feet elevation mark. High Acres would have been a small island in the center of the valley.
